Pueri Cantores
Le Président

To all the family Pueri Cantores

Dear Pueri Cantores friends,

Our Pope Francis ended his earthly life the day after Easter. What a beautiful symbol! We are sad, but we thank God for having spared him a long and painful end of life.

I have fond memories of our congress in Rome in December 2023. He gave us three words: joy, prayer and humility. And his warm thanks for our action: *'What you do is very important, because you help communities to pray, to open their hearts to the Lord; and that's fundamental for the life of the Church. Thank you very much'*.

The Holy Father has left 'on mission'. On Easter Sunday, from the balcony of St Peter's Basilica, he delivered to us a message of peace.

I invite you to pray for him and not to forget his work, particularly with the poorest.

Requiescat in Pace.
